

More About St Francis Care Centre

Since the beginning, St Francis Care Centre has mobilized resources to help patients and families in the informal settlements of Ekurhuleni:

- The Hospice – A 48 bed residential medical facility for adult
- Children’s Section – The Rainbow Cottage provides a home for 30 neglected, abandoned or orphaned children from birth to 7 years of age.
- Home Based Care – The centre has an active team of care helpers providing home based care to persons with life threatening and life limiting illnesses.
- HTC Mobilisation Program offers the following services:
 - HIV Counselling and Testing
 - STI’s and TB Screenings
 - Health Education
 - Condom Demonstration and Distribution
 - MMC (Medical Male Circumcision) Screening and advisory
 - Referrals to Health Facilities
