Please support the Angel of Love Project.

St. Francis Care Centre invites YOU to become an “Angel of Love” to our Rainbow Cottage, which provides residential care to 35 abandoned or orphaned children from birth to seven (7) years old children aged 0-7 years, infected or affected by HIV/AIDS.

- These children have no place to stay.
- They have no parents or families to provide care to them.
- They are extremely ill and malnourished upon their arrival at our Centre.
- They are developmentally delayed.
- Some of the new born babies admitted at our Centre are under 6 months.

Your monthly contribution (any amount of your choice) as an “Angel of Love” would assist us to do the following for the children.

- Proper medical assessment.
- Stabilize the children medically.
- Provide therapy to address their developmental delay.
- Explore family reunification possibilities.
- Find suitable host/foster/adoptive parents for the children.

YOU would be making a big difference in the lives of these children as YOUR monthly contribution will assist us to create a brighter future for them – and they all look to us to have a better future!! In addition, the “ANGEL OF LOVE” project creates a win-win situation for both the Centre and YOU. As a registered Non-profit organisation (NPO), we qualify to issue you with a Section 18(a) Tax certificate which allows your donation to be tax deductible – you benefit from a tax point of view and we benefit financially to continue rendering our services!!

To register as an "Angel of Love" contact James Matli on 011 894 4151/ 071 2810 275 e-mail: development@stfranciscarecentre.co.za. We invite you to visit our webpage www.stfranciscarecentre.co.za. Alternatively please complete the pledge form and fax to 086 6939389 and we will contact you.

You are always welcome to visit the children in the Rainbow Cottage and we thank you, in advance, on their behalf for your favourable consideration of this request. We look forward to welcoming YOU as an "Angel of Love" to our Rainbow Cottage.
